*Dear Ms. Longo:*

*On behalf of the Space Coast Science Education Alliance (SCSEA), thank you for your most generous support of the 2014 Exemplary Science Teacher Awards program. The event was a huge success with about 100 people attending. We've received many compliments from the teachers, administrators, and distinguished guests that were in attendance. Of course, none of it would have been possible without your support!*

*We truly appreciate your efforts in supporting our extraordinary science teachers. This is the 16<sup>th</sup> year that we have been able to honor our exemplary science teachers in Brevard County, and our hope is that we will be able to carry on this tradition for many more years. We were delighted a representative could attend the event. Thank you again and we look forward to partnering with you in the future.*

*Sincerely,*
