

**Announcing up to \$1000 Scholarship Opportunity
Science - Technology - Engineering - Mathematics
STEM**

The Space Coast Women In Defense (SCWID) STEM Council is pleased to announce they are currently accepting scholarship applications. Female students currently seniors in high school, under-graduate or graduate school who reside in Brevard County, Florida, and are enrolled in or accepted into a regionally Florida accredited university or college either full-time or part-time are invited to apply.

Scholarship applications are for education in the fields of Science, Technology, Engineering, and Mathematics. In 2017, we awarded a total of \$11,000 in local scholarships.

We hope to increase the number of scholarship recipients for 2018.

Applications are due by April 20, 2018.
